Damage Remedy Hair & Scalp Renewal

A potent sensory experience and intense repair for hair. It begins with a scalp, neck, shoulder massage- with up to 12 aroma-therapeutic essential oils-to increase scalp circulation while targeting pressure points that release tension. Hair is then treated with one of two intense repair formulas: Moisture Immersion, for up to 71% softer, smoother strands: or strength Infusion, for up to 71% more resistance to breakage. At every step, aroma-therapy elevates, soothes and recharges.
